#### SECTION VI. TOXICITY DATA

Carcinogenicity: NTP? No IARC No OSHA REGULATED? No

### SECTION VII. REACTIVITY DATA

Hazardous Polymerization Will Not Occur

**Incompatibility (Materials to Avoid):** Avoid contact with metals which may liberate flammable hydrogen gas. Avoid sulfites and sulfides. **Hazardous Decomposition Byproducts:** None known

# SECTION VIII. PRECAUTIONS FOR SAFE HANDLING AND USE

Steps to be Taken in Case Material is Released or Spilled:

Small Spills: Absorb with inert material and place in a chemical waste container. Neutralize washings with a base

Large Spills: Contain with dikes and transfer into appropriate containers for reclamation or disposal.

Disposal: Meet Federal, State & Local Requirements

Stability: Stable

Handling and Storage: Store in cool, dry well ventilated area. Keep container tightly closed when not in use.

Other Precautions: Keep out of reach of children. FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.

## SECTION IX. CONTROL MEASURES

<b>Respiratory Protection:</b>	NIOSH approved air purifying with vapor cartridge or canister				
Ventilation:	Sufficient to keep PEL from being exceeded				
Local Exhaust:	Recommended if generating mist or vapors				
Mechanical (General):	It is recommended if generating mist or vapors.				
Protective Gloves:	Impervious				
Eye Protection:	Chemical safety goggles				
<b>Other Protective Clothin</b>	g or Equipment: Long pants, sleeves, apron				
Work/Hygienic Practices	: The recommendations described in this section are provided as general guidance for minimizing exposure when handling this product. Because use conditions will vary, depending upon customer applications, specific safe handling procedures should be developed by persons knowledgeable of the intended use conditions and equipment.				

### SECTION X. DOT INFORMATION

PHOSPHORIC ACID SOLUTION,8,UN1805 PGIII

### SECTION XI. MISCELLANEOUS INFORMATION

SARA 313: Phosphoric Acid

**Notice:** All information, recommendations, and suggestions appearing herein concerning this product are based upon data obtained from the manufacturer and/or recognized technical sources; however, manufacturer makes no warranty, representation or guarantee as to the accuracy, sufficiency or completeness of the material set forth herein. It is the user's responsibility to determine the safety, toxicity and suitability of his own use, handling and disposal of the product.
